DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Claims 1-3, 9, 26-32 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest application name identifies a software application associated with the one or more questions, a form name, and a version number, a previously compiled class file is separate from the survey database such that altering the online survey only requires altering the survey database and not the previously compiled class file, creating an executable class file capable of generating markup language for displaying the questions and the input fields on a web browser, the executable class file is separate from the survey database such that altering the online survey only requires altering the survey database and the executable class file can be reused without modification, and maintaining a response table, the response table comprising the form name, the form name identifies a version number of the survey, a survey table, the survey table includes a question field that stores the one or more questions and response field that stores the response associated with the one or more questions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Art Unit: 2168

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DEBBIE M. LE whose telephone number is (571) 272-4111. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tim Vo can be reached on (571) 272-3642. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
